MEMORANDUM FOR: Comptroller

THROUGH: Deputy Director for Administration  
Deputy Director for Operations  
Deputy Director for Intelligence  
Deputy Director for Science and Technology

FROM:  DD0/Chief, International Activities Division

25X1

SUBJECT: Reserve Release Request for Counterterrorism

REFERENCE: Counterterrorist Proposal to the Executive Director, Dated 14 April 1982

1. Action Requested: This memorandum requests you to initiate action with the Office of Management and Budget for the release of \$4.000 million from the Reserve for Contingencies to fund an enhanced Agency-wide counterterrorism program.

2. Background: As you know, the President, his National Security Advisor, and the Secretary of State have all stressed the need to augment our efforts against terrorism. Under the direction of the Executive Director, the Agency directorates have combined to develop a plan to meet our responsibilities under NSDD #30. The \$4.000 million Reserve release will provide for a strong start this year on a program to:

- Combine the CIA's counterterrorism analysis and operations elements into a colocated center (\$850,000).
- Centralize and expand data processing files and equipment to better understand the dynamics of terrorism. This will be a multi-year effort designed to be fully operational by FY 84 (\$1,000,000).
- Increase electronic and human source collection against terrorist organizations (\$900,000).

25X1

S E C R E T

S E C R E T

-2-

--Improve technical capability to defend against terrorist attacks. Includes the creation of quick reaction teams to respond to terrorist incidents (\$1,125,000).

--Establish better interagency coordination to provide advanced warning of potential incidents and improve relations with friendly liaison services (\$40,000).

--Increase Agency capability to carry out covert action against terrorist groups (\$85,000).

25X1

3. We will attempt to reprogram the needed funds to continue this program in 1983--a preliminary estimate of the 1983 cost is \$4.000 million. The Agency's 1984 budget request will contain an initiative to carry the program forward.
